Tone that shit down
Tell me who gon' ball like this
Huh, pull up, fros up, with the door up
Chopper in the club, I don't care who show up
Watch lookin' like a glow up, when I throw up
East Side pour the Crys' wrote why I grow up
Hold up, lil homie tone it down
Put the jewelery that you rockin' for the kids I'm a grown up
Sat courtside right next to the owner
Lookin' so good, make his wife pick her phone up
Big gold boulders, in my Rollie
Look like real flesh, make you wanna pick a stone up
If everybody got a watch like that
Then why would I want that watch? I'm a loaner
Damn nigga had a temperature because he
Got that car 'fore I got it, now I really don't wanna
You never seen a nigga glow up like this
Not a nigga that was trappin' on a corner
Wop, wop, wop, wop
VVS the wrist (VVS the wrist)
Wop, wop, wop, wop
Might steal your bitch
Wop, wop, wop, wop
Yeah, yeah, VVS the wrist
Wop, wop, wop, wop

Might steal your bitch Tone that shit down
 Weak nigga, ball like this
 Tone that shit down (oh why)
 Tell me who gon' ball like this
 Tone that shit down
 Weak nigga, ball like this
 Tone that shit down
 Tell me who gon' ball like this Go, your man CB, jewelery 3D
 Tryna be like me, ain't easy
 Niggas hate me, mamas wanna date me
 'Cause I got all these VVS pieces
 Ain't that great thing
 2018 Rolls Royce, chose no reason
 Wanted all my time, peace brothers in the Fiji
 Part from the same regions
 I just wanna meet me
 Ballin' like an athlete, but I ball all four seasons
 Diamonds, thats just like breazin
 Take it easy, breezy go easy
 Bitch goes in all my pieces
 Gucci Mane stunt like Meechy
 Jewelery so gold, I'm sneezin'
 Pull up south beach, no season Tone that shit down
 Weak nigga, ball like this
 Tone that shit down (oh why)
 Tell me who gon' ball like this
 Tone that shit down
 Weak nigga, ball like this
 Tone that shit down
 Tell me who gon' ball like this Yeah, four, four, drippin'
 I be on a hunnids rolls
 Fight, weed, hit it
 Have a nigga seeing ghost
 Tell me what to do, 'cause I'm tryna get to know you
 Champagne, takin' shots
 Won't have a hangover Wop, wop, wop, wop
 VVS the wrist
 Wop, wop, wop, wop
 Might steal your bitch
 Wop, wop, wop, wop
 Yeah, yeah, VVS the wrist
 Wop, wop, wop, wop
 Might steal your bitch Tone that shit down
 Weak nigga, ball like this
