

# Like I Love You (feat. The NGHBRs)

## Lost Frequencies

[Verse 1]

Oh it's a long way down  
But if you don't look, you don't have to know it  
And I can be around  
To catch your fall if you're losing your grip[Pre-Chorus]  
Can't you see that I come crawling on my knees  
To get to you, get to you, get to you  
Can't you see that I climbed out in stress and be  
Next to you, next to you, next to you[Chorus]  
But do you love like I love you?  
Don't have to rush if you don't want to  
Oh I'll be patient  
But just know that there's no way that anybody else could love you

Like I love you

[Post-Chorus]

Like I love you

Love you

Like I love you

Love you[Verse 2]

Know you've been hurt before (fore, fore)  
But a little love is enough to save ya  
Ya, we could take our time for sure  
'Cause omething real is worth for waiting[Pre-Chorus]  
Can't you see that I come crawling on my knees  
To get to you, get to you, get to you  
Can't you see I swim the ocean just to be  
Next to you, next to you, next to you  
[Chorus]  
But do you love like I love you?  
Don't have to rush if you don't want to  
Oh I'll be patient  
But just know that there's no way that anybody else could love you

Like I love you[Post-Chorus]

Like I love you

Love you

Like I love you

Love you[Bridge]

I know you wanted my but  
You won't surrender your heart  
Keeping me out in the dark, keeping me out in the dark  
I know you wanted my but  
She won't surrender your heart

Keeping me out in the dark, keeping me out in the dark  
In the dark[Chorus]  
But do you love like I love you?  
Don't have to rush if you don't want to  
Oh I'll be patient  
But just know that there's no way that anybody else could love you  
Like I love you[Post-Chorus]  
Like I love you (nobody else could)  
Love you (nobody else could)  
Like I love you
