

Forgive Our Fathers

Godflesh

Dispel / all thoughts
Wipe it / all out
Just believe / in nothing
Because you are / just nothing
Forgive our fathers / for they'll never be in heaven
Their kingdom has come / and they'll never deliver us from evil
Dispel / all thoughts
Wipe it / all out
Just believe / in nothing
Because you are / just nothing
Forgive our fathers / for they'll never be in heaven
Their kingdom has come / and they'll never deliver us from evil
