One more time  
Ah ah ah ah, aaah  
Ah ah ah ah  
One (aaah) more time  
Ah ah ah ah aaah  
Ah ah ah ah

Like the legend of the phoenix, yeah  
All ends with beginnings, ooh  
What keeps the planet spinning, ah ah  
The force from the beginning, ooh

We've come tooo far  
To give up who we are  
So let's raise the bar  
And our cups to the stars, eh

We're up all night 'til the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky

We're all up night 'til the sun

We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky

We're up all night to get lucky  
We're up all night – all night to get – up all night to get, get, get lu-, lu-

Last night, I had this dream about you  
In this dream, I'm dancing right beside you  
There's nothing wrong with just a little bit of fun  
We were dancing all night long

Oh, I don't know what to do  
About this dream and you  
I hope this dream comes true

One more time  
(hey) We're gonna celebrate  
Oh yeah, all right  
Don't stop the dancing  
One more time  
We're gonna celebra-a-a-a-ate

Work it harder, make it better  
Do it faster, makes us stronger  
More than ever hour after  
Our work is never over

Work it harder, make it better  
Do it faster, makes us stronger  
More than ever hour after  
Our work is never over

Imma work it harder, make it bett-  
Do it faster, makes us  
More than ever hou-hour after  
Ou-our wo-ork is never over

Work it harder, make it better  
Do it faster, makes us stronger  
More than ever hour after  
Our work is never over

Television, rules the nation, oh yeah  
(around the world, around the world)  
Television, rules the nation  
(around the world, no)

Music's got me feeling so free

Celebrate and dance so free  
One more time  
Music's got me feeling so free  
We're gonna celebrate  
Celebrate and dance so free (celebrate)

Tonight  
(we've)  
Hey, just feel it  
(come too far)  
Music's got me feeling the need  
(to give up who we are)  
One more time  
Music's got me feeling so free  
(so let's)  
We're gonna celebrate  
(raise the bar)  
Celebrate and dance –  
(and our cups –)  
To the stars

We're up all night till the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky

We're up all night till the sun  
We're up all night to get some  
We're up all night for good fun  
We're up for-

Scott, (Kirstie & Mitch):  
One more night, oh no  
(We're up all night till the sun, hey)  
Celebration  
(Around the world)  
Feeling so free

Woah, one more night  
(We're up all night till the sun, hey)  
Woah no, celebration  
(Around the world)  
Music's got me feeling so –  
Our work is never over
