

Here's to the Good Times

Florida Georgia Line

[Verse 1]

Let's turn it up loud, mix it up strong
Lean it back slow, get your feel good on
Cut 'em off short, roll it up tight
Let it unwind tonight
Drop down the top down on the Pontiac
Wherever you wind up is where the party's at
Break out the bottle of Bacardi Black
And don't look back 'cause

[Chorus]

Here's to the good times, here's to the sunshine
Here's to the ice you float your beer in
To the tops that pop and the tan lines disappearin'
Oh my, my
She's a little bit tipsy
Leans in for a kiss, she's stealin' your heart just like a gypsy
And there you are, just a drunken star, just fallin' in her eyes
Here's to the good times
While there's still time

[Verse 3]

We'll lay it all out, spray it on sweet
Carve it in oak and permanent ink
Park it way back, fog it on up
Singin' whoa, whoa
Radio spillin' from a single cab
She looks so good with her silver tabs
Hangin' on a branch by the river
That's a memory that'll get you when you look back

[Chorus]

Here's to the good times, here's to the sunshine
Here's to the ice you float your beer in
To the tops that pop and the tan lines disappearin'
Oh my, my
She's a little bit tipsy
Leans in for a kiss, she's stealin' your heart just like a gypsy
And there you are, just a drunken star, just fallin' in her eyes
Here's to the good times

While there's still time

[Bridge]

Drop down the top down on the Pontiac
Wherever you wind up is where the party's at
Break out the bottle of Bacardi Black
And don't look back 'cause

[Chorus]

Here's to the good times, here's to the sunshine
Here's to the ice you float your beer in
To the tops that pop and the tan lines disappearin'
Oh my, my
She's a little bit tipsy
Leans in for a kiss, she's stealin' your heart just like a gypsy
And there you are, just a drunken star, just fallin' in her eyes
Here's to the good times

[Outro]

Here's to the good times and the moonshine
And them blue eyes under the moonlight
Here's to the good times
Here's to the good times, buzzin' on moonshine
Lovin' you all night under the moonlight
Here's to the good times
While there's still time
