## Jhené Aiko

[Jhené Aiko:]

Yeah

Yeah

Uh

Back up on my b-  
Done dealing with you  
Yeah

Back up on my bullshit  
Back up on the scene  
Done dealing with you  
Don't know how to deal with me  
Done fuckin' with you, don't know how to love me  
Done dealing with you, so I'm back

It seem like I give so much and don't get nothin' back  
I really thought it was love but you're so fuckin' whack  
Always get caught up in love, but I am done with that  
I can't get caught up in lust, so now I'm-, yeah  
Flexin' on my exes, in my model X  
Pretty little skinny, little bitty body model ex  
Some of y'all ain't never had no real bitch and it shows  
I keep it one hunnid from my head down to my toes  
Back up on my bullshit  
Back up on the move  
Touch down in my hometown, got nothing to lose  
I am on my own now, I am in control now  
And I need you to go now, I can fix my own ground

Back up on my bullshit  
Back up on the scene  
Done dealing with you  
Don't know how to deal with me  
Done fuckin' with you, don't know how to love me  
Done dealing with you, so I'm back, yeah (Bitch)

[H.E.R:]

Might just see him for the weekend, you say that's a cold play  
I be feelin' triggered I-, don't know how to let it go  
Really you ain't shit and I-, know I'm too emotional, hey (Hey)  
Puttin' me through it  
He's the only thing that's been gettin' me through it

He be comin' through with it  
And I hope you cool with it  
I just met your roommate, put him on my to-do list
