

# One, Two Step

Ciara

Ladies and gentlemen  
This is a Jazze Phizzle Productshizzle  
'Missy', the princess is here 'Ciara'(This beat is)  
Automatic, supersonic, hypnotic, funky fresh  
Work my body, so melodic, this beat rolls right through my chest  
Everybody, ma and papi, came to party  
Grab somebody, work ya body, work ya body  
Let me see you one, two stepRock it, don't stop it, everybody get on the floor  
Crank the party up, we about to get it on  
Let me see you one, two step  
I love it when you one, two step  
Everybody one, two step, we about to get it on  
(This beat is)  
Outrageous, so contagious, make you crave it  
(Jazze made it)  
So retarded, top charted, ever since the day I started  
Strut my stuff and yes I flaunt it, goodies make the boys jump on it  
No I can't control myself, now let me do my one, two stepRock it, don't stop it, everybody get  
on the floor  
Crank the party up, we about to get it on  
Let me see you one, two step  
I love it when you one, two step  
Everybody one, two step, we about to get it on  
We gone drop it like thisIt don't matter to me, we can dance slow  
Whichever way the beat drops our bodies will flow  
So swing it over here Mr. DJ and we will, we will, rock youIt don't matter to me, we can dance  
slow  
Whichever way the beat drops our bodies will flow  
So swing it over here Mr. DJ and we will, we will, rock you  
I shake it like JLO, make the boys say hello  
'Cause they know I'm rockin' the beat  
I know you heard about a lot of MCs  
But they ain't got nothin' on meBecause I'm 5 foot 2, I wanna dance with you  
And I'm sophisticated fun, I eat fillet minion  
I'm nice and young, best believe I'm number oneRock it, don't stop it, everybody get on the floor  
Crank the party up, we about to get it on  
Let me see you one, two step  
I love it when you one, two step  
Everybody one, two step, we about to get it on  
Rock it, don't stop it, everybody get on the floor  
Crank the party up, we about to get it on  
Let me see you one, two step

I love it when you one, two step  
Everybody one, two step, we about to get it on  
This is for the hearing impaired
