

Grown-Up Christmas List (feat. Kelly Clarkson)

Pentatonix

Do you remember me?
I sat upon your knee
I wrote to you
With childhood fantasies Well, I'm all grown up now
And still need help somehow
I'm not a child
But my heart still can dream So here's my lifelong wish
My grown-up Christmas list
Not for myself
But for a world in need No more lives torn apart
That wars would never start
And time would heal all hearts
And everyone would have a friend
And right would always win
And love would never end This is my grown-up Christmas list As children we believed
The grandest sight to see
Was something lovely
Wrapped beneath the tree But Heaven only knows (only knows)
That packages and bows
Can never heal
A hurting human soul No more lives torn apart
That wars would never start
And time would heal all hearts And everyone would have a friend
And right would always win
And love would never end
This is my grown-up Christmas list What is this illusion called?
The innocence of youth?
Maybe only in our blind belief
Can we ever find the truth No more lives torn apart
That wars would never start
And time would heal all hearts And everyone would have a friend
And right would always win
And love would never end This is my grown-up Christmas list This is my only life I wish
This is my grown-up Christmas list
