

# Love Remains

## Hillary Scott & The Scott Family

We are born  
One fine day  
Children of God on our way  
Momma smiles  
And daddy cries  
A miracle before their eyes  
They protect us till we're of age  
Through it all, love remains

A boy moves on  
Take a bride  
And she stands faithful by his side  
Through tears and sweat  
They build a home  
And raise a family of their own  
And they share joy  
And they share pain  
But through it all, love remains

Kingdoms come and go, but they don't last  
Before you know the future is the past  
In spite of what's been lost or what's been gained  
We're living proof that love remains

I don't know baby what I'd do on this earth without you  
We all live  
And we all die  
But the end is not goodbye  
The sun comes up  
And the seasons change  
And through it all, love remains

An eternal burning flame  
Hope lives on, and love remains
