

# Gummy (feat. Brando)

## Loud Luxury

I've been moving too fast  
Left my morals in the past  
Not sure how we gonna last  
Got my money doing laps But it's so hard  
You look too good in my old car  
Life's not fair take a selfie  
Moonlit hair got me so weak In the backseat  
Stretch around like a gummy  
Most these girls tryna front me  
Move too quick for the plan b  
Got me so high  
Whip so foreign need a green card  
Life's not fair but it can be  
Stretch around like a gummy  
Ba dap dap ooh  
Ba dap dap ooh  
Life's not fair but it can be (ooh)  
Stretch around like a gummy  
Ba dap dap ooh  
Ba dap dap ooh  
Life's not fair but it can be (ooh)  
Stretch around like a gummy In the backseat  
Stretch around like a gummy  
Most these girls tryna front me  
Move too quick for the plan b  
Got me so high  
Whip so foreign need a green card  
Life's not far but it can be  
Stretch around like a gummy  
Think I'm moving too slow  
Kick all thoughts to the door  
All your fear let it go  
Watch it drop to the floor Still it's so hard  
You look too good for this old car  
Life's not fair for a deadbeat  
But right now I'm feeling comfy In the backseat  
Stretch around like a gummy  
Most these girls tryna front me  
Move too quick for the plan b  
Got me so high  
Whip so foreign need a green card  
Life's not far but it can be

Stretch around like a gummyBa dap dap ooh  
Ba dap dap ooh  
Life's not fair but it can be (ooh)  
Stretch around like a gummy  
Ba dap dap ooh  
Ba dap dap ooh  
Life's not fair but it can be (ooh)  
Stretch around like a gummyBa dap dap ooh  
Ba dap dap ooh  
Life's not fair but it can be (ooh)  
Stretch around like a gummy  
Ba dap dap ooh  
Ba dap dap ooh  
Life's not fair but it can be (ooh)  
Stretch around like a gummyIn the backseat  
Stretch around like a gummy  
Most those girls tryna front me  
Move too quick for the plan b  
Got me so high  
Whip so foreign need a green card  
Life's not fair but it can be  
Stretch around like a gummyBa dap dap ooh  
Ba dap dap ooh  
Life's not fair but it can be (ooh)  
Stretch around like a gummy  
Ba dap dap ooh  
Ba dap dap ooh  
Life's not fair but it can be (ooh)  
Stretch around like a gummy
