

Lullaby (feat. Matt Costa)

Jack Johnson

When you're so lonely
lying in bed
night's closed its eyes
but you can't rest your head
everyone's sleeping, all through the house
you wish you could dream
but forgot to somehow
sing this lullaby to yourself
sing this lullaby to yourself
And if you are waiting
waiting for me
know I'll be home soon, darling, I guarantee
I'll be home Sunday, just in one week
dry up your tears if you start to weep
and sing this lullaby to yourself
sing this lullaby to yourself
lullaby, I'm not nearby, sing this lullaby to yourself
don't you cry, no, don't you cry
sing this lullaby to yourself
'cause when I arrived here, it won't be that long
no, it won't seem like any time that I've been gone
it ain't the first time, it won't be the last
won't you remember this words to help the time pass?
so when you're so lonely
lying in bed
night's closed its eyes but you can't rest your head
everyone's sleeping, all through the house
you wish you could dream
but forgot to somehow
sing this lullaby to yourself
sing this lullaby to yourself
sing this lullaby
sing this lullaby
sing this lullaby to yourself
