

Dayum, Baby

Florida Georgia Line

[Verse 1: Florida Georgia Line]

Well, hey baby, listen
You got me twistin', watchin' you sippin' on that drink
I saw you smile back and I didn't miss that "it's on a little later on" wink
And your song comes on, you dance along
I can't believe how bad you got me like

[Chorus: Florida Georgia Line & Sarah Buxton]

Dayum, baby, dayum, baby, dayum
I love standin' here watchin' you breakin' it down, baby, down, baby, down
You keep pullin' me in when you spinning around, baby, 'round, baby, 'round
I can see you'll probably be keepin' me up all night (All I wanna do is take it slow)
Yeah, but that's alright (So take me anywhere you wanna go)
'Cause girl, you got me like dayum, baby, dayum, baby, dayum
Yeah, you got me like dayum, baby, dayum, baby, dayum

[Verse 2: Florida Georgia Line]

Baby, you're rockin', you got me locked in
I know that you're dancin' just for me
If you wanna go, then we'll get to rollin'
'Cause I'd love to sweep you off your feet

[Chorus: Florida Georgia Line & Sarah Buxton]

Like dayum, baby, dayum, baby, dayum
I love standin' here watchin' you breakin' it down, baby, down, baby, down
You keep pullin' me in when you spinning around, baby, 'round, baby, 'round
I can see you'll probably be keepin' me up all night (All I wanna do is take it slow)
Yeah, but that's alright (So take me anywhere you wanna go)
'Cause girl, you got me like dayum, baby, dayum, baby, dayum
Yeah, you got me like dayum, baby, dayum, baby, dayum

[Bridge: Florida Georgia Line]

Yeah, if you wanna take me home and turn it on
You know I'm there, 'cause girl, I swear

[Chorus: Florida Georgia Line & Sarah Buxton]

Dayum, baby, dayum, baby, dayum
Mmm, gon' let your long hair down, baby, down, baby, down
We'll be lovin' 'til the sun comes back around, baby, 'round, baby, 'round
I can see you'll probably be keepin' me up all night (All I wanna do is take it slow)

Yeah, but that's alright (So take me anywhere you wanna go)
'Cause girl, you got me like dayum, baby, dayum, baby, dayum
Yeah, you got me like dayum, baby dayum, baby dayum

[Outro: Florida Georgia Line]

Girl, you got me like dayum, baby
I ain't talkin' 'bout call me maybe
I'm fallin' talkin' crazy, but I gotta call a spade what a spade is
Babygirl, now you my queen, I got a pocket full of aces
I'ma get you hot, I'ma fly you to your favorite places
Chasin' your dreams, so real that you can almost taste it
I'ma take you back to the basics, we gon' cover all of the bases
And I'ma lay you down and take my time 'til you can hardly take it
Dayum, baby, dayum, baby, dayum
