

It Had to Be You

Tony Bennett & Carrie Underwood

It seems like dreams like I've always had
Could be, should be, making me glad
Why am I blue?
It's up to you to explain
I'm thinking maybe, baby, I'll go away
Someday, someday, maybe you'll come and say
It's you that I need
And you'll be pleading in vain
It had to be you, it had to be you
I wandered around, finally found that somebody who
Could make me be true, could make me be blue
And even be glad just to be sad thinking of you
Some others I've seen
Might never be mean
Might never be cross or try to be boss
But they wouldn't do
For nobody else give me a thrill
With all your faults I love you still
It had to be you, wonderful you
It had to be you
Some others I've seen, some others I've seen
Might never be mean, might never be mean
Might never be cross or try to be boss
They wouldn't do
For nobody else gave me a thrill
With all your faults I love you still
It had to be you, wonderful you
It had to be you
