

# I Know Where I've Been

## Queen Latifah

There's a light in the darkness  
Though the night is black as my skin  
There's a light burning bright  
Showing me the way  
But I know where I've been  
There's a cry in the distance It's a voice that comes from deep within  
There's a cry asking why  
I pray the answer's up ahead  
'Cause I know where I've been  
There's a road we've been travelin'  
Lost so many on the way  
But the riches will be plenty  
Worth the price  
The price we had to pay  
There's a dream in the future There's a struggle that we have yet to win  
And there's pride in my heart  
'Cause I know where I'm going, yes I do  
And i know where I've been  
There's a road we must travel  
There's a promise, we must make  
But the riches, the riches will be plenty  
Worth the risks and the chances that we take  
There's a dream in the future  
There's a struggle that we have yet to win  
Use that pride in our hearts  
To lift us up to tomorrow  
'Cause just to sit still  
Would be a sin  
I know where I'm going  
Lord knows I know where I've been  
Oh, when we win  
I'll give thanks to my God  
'Cause I know where I've been
