

# I Can Let Go Now

Michael McDonald

By michael mcdonald

It was so right, it was so wrong

Almost at the same time

The pain and ache a heart can take

No one really knows

When the memories cling and keep you there

Till you no longer care

And you can let go now

It's wrong for me to cling to you

Somehow I just needed time

From what was to be-it's not like me

To hold somebody down

Chorus:

But I was tossed high by love

I almost never came down

Only to land here

Where love's no longer found

Where I'm no longer bound

And I can let go now
