

# Thirsty

AJR

[Chorus]

It's thirsty, thirsty Thursday!

(Yodelling)

Thirsty, thirsty Thursday!

[Verse 1]

I'm up and I raise my cup singing everything is gold

Crew neck and a white blank check

I'll be moving on my own

I walked on sippin' on on that love

It's another bumpy road

But I'm up and I raise my cup and I wanna take her home

[Pre-Chorus]

I run my mouth

Don't got a lot to say

Girl on fire

Could burn my heart away

We are young

But we can make it rain

[Chorus]

It's thirsty, thirsty Thursday!

(Yodelling)

Thirsty, thirsty Thursday

Thirsty, thirsty Thursday

[Verse 2]

I'm up and I raise my cup see 'em bouncin' on the floor

Perfume in a hotel room

We go bouncin' back for more

One us sippin' on that fun

It's a feeling we adore

But I'm up and I raise my cup and I wanna take her home

[Pre-Chorus]

I run my mouth

Don't got a lot to say

Girl on fire

Could burn my heart away

We are young  
But we can make it rain

[Chorus]  
It's thirsty, thirsty Thursday!  
(Yodelling)  
Thirsty, thirsty Thursday  
Thirsty, thirsty Thursday

[Bridge]  
We're so thirsty  
Can't no one stop me  
Keep on bouncin'  
Like no one's watching  
We're so thirsty  
Can't no one stop me  
Keep on bouncin'  
Like no one's watching

[Chorus]  
It's thirsty, thirsty thursday  
Thirsty, thirsty Thursday  
Thirsty, thirsty Thursday  
Thirsty, thirsty thursday  
We're so thirsty  
Can't no one stop me  
Keep on bouncin'  
Thirsty, thirsty Thursday
