

Beautiful Life (feat. Sandro Cavazza)

Lost Frequencies

Anywhere you are and you'll go, I follow
Mountain river low, I follow
Take me to the bottom, drive me in low
Wherever you go
Mountain river low, I follow It's a beautiful, beautiful life
Beautiful, beautiful life
Beautiful, beautiful life
With you
Anywhere you are and you'll go, I follow
Mountain river low, I follow
Take me to the bottom, drive me in low
Wherever you go
Mountain river low, I follow
Beautiful, beautiful life
Beautiful, beautiful life
Beautiful, beautiful life
With you Anywhere she wants to go
