

Rewind

Toni Braxton

Picture this one, it's holding back (back)
I'm just tryin' to remember
The best night I ever had (had)
I keep thinkin' all of the
Touches, kisses, and screams (screams)
Let me recreate it
Oh my God, we did some things (things)

[Bridge]
Holding onto you, it's so true
Don't you, know that I got everything
If I had to, Redo
That oooh
I would've Tivo'd everything

[Chorus]
I wish that I could rewind it
Roll me on the bed
Ooh touch me right there
Grab me by my waist

I wish that I could rewind it
Lying next to me
Loving me to sleep
I can hardly wait

I wish that I could rewind it
Reminisce about the things we do (do)
Ain't nobody that could handle me like you (you)
Love so good, wish we could've tape that
So we could replay that
Wish that I could rewind that
I wish that I could rewind it

Just like the first time I saw your face
I remembered how you were
When you were in that place
So all I'm sayin'
Some memories can't be replaced
That's why I can't let go of that night

It's history

[Bridge]

I'll hold onto you, it's so true
Don't you, know that I got everything
If I had to, Redo
That ooh
I would've Tivo'd everything

[Chorus]

I wish that I could rewind it
Roll me on the bed
Ooh touch me right there
Grab me by my waist

I wish that I could rewind it
Lying next to me
Loving me to sleep
I can hardly wait

I wish that I could rewind it
Reminisce about the things we do (do do)
Ain't nobody that could handle me like you (you you)
Love so good, wish we could've tape that
So we could replay that
Wish that I could rewind that
I wish that I could rewind it

Don't wanna lose this love
That won't mislead us apart babe
Never wanna re-create a baby
So I'll just play it over and over again in my mind
I know second time for this
(I wanna rewind it)
I just wanna re-live that one night (Rewind it)
I don't wanna mess up if we try
So I'm not gonna chance it
Wanna replay it
Wanna rewind it

[Chorus]

I wish that I could rewind it
Roll me on the bed (yea..)
Ooh touch me right there (touch me)
Grab me by my waist

I wish that I could rewind it
Lying next to me (ooh)
Loving me to sleep (ooh)

I can hardly wait

I wish that I could rewind it
Reminisce about the things we do (do..)
Ain't nobody that could handle me like you
(Nobody that could handle me like you)
Love so good, wish we could've tape that
So we could replay that
Wish that I could rewind that
I wish that I could rewind it

'Wind it ('wind it)
Rewind it (Rewind it)
Rewind it (Rewind it)

'Wind it ('wind it)
Rewind it (Rewind it)
Rewind it (Rewind it)
Rewind it
