

Never Dreamed You'd Leave In Summer

[Joan Baez](#)

I never dreamed you'd leave in summer
I thought you would go then come back home
I thought the cold would leave by sum-mer
But my quiet nights will be spent alone

You said there would be warm love in springtime
That was when you started to be cold
I never dreamed you'd leave in summer
But now I find myself all alone

You said then you'd be the life in autumn
Said you'd be the one to see the way
I nev-er dreamed you'd leave in summer
But now I find my love has gone away

Why didn't you stay
