[Verse 1]

I still remember  
Used to have the dope Perry Ellis goose down  
Like a trill nigga  
I still remember  
Boy the bus used to be a broke nigga's Limousine  
Keep it real with yah  
Pardon our behavior  
Niggas had the 2 for 1 bags like they trappin' with a Groupon  
Mothafuck a layup  
These Jordan 13s had a nigga lookin' cleaner than a newborn

[Pre-Chorus]

I got the shit that these niggas is made for  
I got the shit that they made for, I  
I got the shit that these niggas is waitin' for  
Nigga they waitin' for, I  
I got that thing that they gon' catch a wave for  
Swear that I don't take no days off  
I take the dope and I flex it in wave form  
No no behavior, they know the savior

[Hook]

Like it's 1990 mothafuckin' 9, my nigga  
Nigga 'bout to get mine, my nigga  
Like it's 1990 mothafuckin' 9, my nigga  
Timbs on, Goose down, my nigga

Like it's 1990 mothafuckin' 9, my nigga  
Like when Puffy met Shyne, my nigga  
Like it's 1990 mothafuckin' 9, my nigga  
9 milli, 9, 9, my nigga

[Verse 2]

I still remember  
Lightskin Shelly told a nigga that I wasn't in the league  
I still remember  
I still remember back then cause I wasn't in the lead  
Had to get right  
Had to get right, word to Chuck D, a nigga got active  
Miss me with the bullshit  
You ain't for the win, nah we ain't even on the same axis

[Pre-Chorus]

I got the shit a nigga made  
I got the shit they wanna talk about  
I got the shit they wanna pray for  
There ain't nothin' here to talk about  
I tell them niggas quit sleepin'  
Catch the wave, don't fall off the deep  
I make a bitch pledge allegiance  
Boy they 'bout to get baptized

[Hook]

Like it's 1990 mothafuckin' 9, my nigga  
Nigga 'bout to get mine, my nigga  
Like it's 1990 mothafuckin' 9, my nigga  
Timbs on, Goose down, my nigga  
Like it's 1990 mothafuckin' 9, my nigga  
Like when Puffy met Shyne, my nigga  
Like it's 1990 mothafuckin' 9, my nigga  
9 milli, 9, 9, my nigga

[Bridge]

Yo, you don't gotta tell me  
Yo, you don't gotta tell me, feel it  
I know that you want it  
I know cause I've been lit  
Yo, you don't gotta say it (Nah)  
You don't gotta say nothin' now  
You know that you want it  
I'll put that shit down  
Yo, you don't gotta tell me  
Yo, you don't gotta tell me, feel it  
I know that you want it  
I know cause I've been with it  
I know what you're sayin'

You don't gotta say nothin' now  
You know that you want it  
I put that shit down

[Outro]  
1990 mothafuckin' 9, my nigga
