

# I Get Around

## Dragonette

Nine a.m.  
In your bedroom  
The radio alarm clock is set for soon  
I know you friends and you know mine too  
You don't tell on me, I won't tell on you  
I get aroundSeconds to your elevator from the station  
How can I resist that kinda invitation  
Seventh floor and I'm in trouble  
Gotta get me back down to street level  
I get aroundHere I come when I better go  
I say "Yes" when I ought to say "No"  
Here I come when I better go  
I say "Yes" when I ought to say "No"  
Quietly slide away off the mattress  
Find my clothing on the bed post  
So I tip toe out of this mess  
As I slip back into last night's dress  
I get aroundPut a little lipstick back on my face  
Blow a little kiss to you from the doorway  
Walk the hall right past the staircase  
Take the elevator back down out of this place  
I get aroundHere I come when I better go  
I say "Yes" when I ought to say "No"  
Here I come when I better go  
I say "Yes" when I ought to say "No"  
I say "Yes" when I ought to say "No"  
I say "Yes" when I ought to say "No"  
I say "Yes"  
I say "Yes"  
I say "Yes"  
I say "Yes"  
I say "Yes"  
Say "Yes"  
Say "Yeah"Here I come when I better go  
I say "Yes" when I ought to say "No"  
Here I come when I better go  
I say "Yes" when I ought to say "No"Here I come when I better go  
I say "Yes" when I ought to say "No"  
Here I come when I better go  
I say "Yes" when I ought to say "No"Here I come  
Here I come  
Here I come

Here I come  
(Here I come)  
Here I come  
(Here I come)  
Here I come  
(Here I come)  
Here I come  
(Here I come)I say "Yes" when I ought to say "No"
