

# You and I Both

Sam Tsui & Kurt Schneider

Oh was it you who spoke the words that things would happen but not to me?

Oh things are gonna happen naturally

Oh I'm taking your advice and I'm looking on the bright side

And balancing the whole thing

Oh well at often times those words get tangled up in lines

And the bright lights turn to night

Oh, until the dawn it brings

Another day to sing about the magic that was you and me

'Cause you and I both loved

What you and I spoke of

And others just read of

Others only read of the love

Of the love that I love, yeah

Oh lova lova

See I'm all about them words

Over numbers, unencumbered numbered words

Hundreds of pages, pages, pages for words

More words than I had ever heard and I feel so alive

'Cause you and I both loved

What you and I spoke of

And others just read of

And if you could see me now

Oh, love

You and I, you and I

Not so little you and I anymore, oh

And with this silence brings a moral story

More importantly evolving is the glory of a boy

'Cause you and I both loved

What you and I spoke of

And others just read of

And if you could see me now

Well, then I'm almost finally out of

Finally out of

Finally dee dee dee dee dee dee  
Well I'm almost finally, finally  
Well I am free  
Oh I'm free

And it's okay if you had to go away  
Oh, just remember the telephones  
Well, they're working in both ways  
But if I never never hear them ring  
If nothing else I'll think the bells inside  
Have finally found you someone else and that's okay  
'Cause I'll remember everything you sang

'Cause you and I both loved  
What you and I spoke of  
And others just read of  
And if you could see me now  
Well, then I'm almost finally out of  
Finally out of  
Finally dee dee dee dee dee dee  
Well I'm almost finally, finally  
Out of words
