

# Street Thing

Aaliyah

Street Thing

You and me got a street thing going on

Verse 1

Now that we have come to know each other

I'll never go away, love will always stay here forever...

Cause this thing we've got is very rare, yeah

So don't ever go nowhere, no

chorus

Cause you and me got

A street kinda thing goin' on

And I'm so happy that I found you

Our love ain't goin' nowhere

It's gonna stay right here

Right here forever

Verse 2

You'll never have to ask a second time  
I'm the one for you, you're the one for me  
So there's no doubt in my mind, no  
Boy this love we have is o so real, oh yes it is  
That's why I'm never goin' nowhere, no

chorus

Yo Liyah, why don't you take it to the bridge  
and let 'em know how you really feel

bridge

You can climb the highest mountain  
You can swim the deepest sea  
But boy I gotta let you know  
My love will always be  
(repeat till fade...)
