

# Too Gone, Too Long

**Randy Travis**

You've been too gone for too long  
It's too late to come back now  
It's been so long since you walked out my door  
Now you're just an old song nobody sings any more  
I've got a new love and she's a true love  
But darlin' how could you have known  
You've been too gone for too long  
Now it's too late to come back home You came a long way goin' the wrong way  
Don't even set your suitcase down  
You wanted to roam now you're paying the bill  
You're an old rolling stone who rolled over the hill  
I had a good cry when you said goodbye  
I didn't want to let you go  
But you've been too hgone for too long  
Now it's too late to come back home  
I had a good cry when you said goodbye  
I didn't want to let you go  
But you've been gone for too long  
So why don't you just stay gone Now you've been too gone for too long  
Now it's too late to come back home
