

# Gaslight

## Snow Tha Product

[Intro]

Look

Pum-Pumbaa are you nuts?

Mmm[Verse 1]

Oh you a big money spendin'

Man who gets the women

Big bill droppin'

Want it, then you got it

Rollie face wearin'

If she lookin', then she starin'

If she starin', then she carin'

But can't put a finger on it

You a big game talker, every ex's your stalker

You ain't ready for no relationship, but can talk to her

You just want some company

Every bitch you fuck with either crazy or amazing

Then you shady as can fuckin' be

You can't commit and that's your greatest talent

Claim you're breaking hearts like back to back

Deep inside there's somethin' less than average

'Bout the bitches that you claim to bag

Somethin' 'bout the bracket that you at

Maybe all the practice that you have

Wouldn't do you any good where I'm at

Class ain't somethin' you can pay to have

[Pre-Chorus]

Gaslight pro (pro)

Gaslight pro (pro)[Chorus]

And you could tell me lies

Tell me, tell me lies

Tell me I'm trippin'

Tell me why, tell me I'm the one

Then rewind to a gaslight pro (pro)[Verse 2]

Oh you a fuckin' Prince Charming out in public

I'm like "Yeah, yeah, yeah"

Lead me on, then they leave

Then it's back to never there

Throw the blame out everywhere

"No one can compare" yeah, yeah

You just never wrong, but here's your problem

Now, I don't care

You playin' with my mind, somehow everytime

Pretty lies come right out your mouth, and that ain't right  
Gotta fuckin' draw the line  
I've been just your type  
Prey on any insecurity you fucking find  
Got me questionin' my memory  
You're a narcissist, intensity  
You startin' off the problem, causin' drama  
Then you got me second guessin' me  
And I don't give a fuck which house your Moon is  
What sign you are or how you grew up  
You're a fuckin' adult and you got to get it together  
You're a dick and you're manipulative as fuck, ugh  
[Pre-Chorus]  
Gaslight pro (pro)  
Gaslight pro (pro)[Chorus]  
And you could tell me lies  
Tell me, tell me lies  
Tell me I'm trippin'  
Tell me why, tell me I'm the one  
Then rewind to a gaslight pro (pro)[Pre-Chorus]  
Gaslight pro (pro)  
Gaslight pro (pro)[Chorus]  
And you could tell me lies  
Tell me, tell me lies  
Tell me I'm trippin'  
Tell me why, tell me I'm the one  
Then rewind to a gaslight pro (pro)(And you could tell me)  
And you could tell me lies  
Tell me, tell me lies  
Tell me I'm trippin'  
Tell me why, tell me I'm the one  
Then rewind to a gaslight pro (pro)
