

# Get Back

## Veruca Salt

I'm spinning out.  
I can't control my car  
It doesn't matter,  
if you think you might be, you are.  
I misplace it. I don't know where it's at.  
And I could find it but I'd never get it back.  
Don't get it back (x2)  
The more you want it,  
the less you're gonna get back.  
I'm running out,  
I don't know when to stop.  
I thought I'd wait until  
I saw the penny drop.  
It started raining,  
pennies falling in my lap.  
And I could spend it  
but I'd never get it back.  
Don't get it back. (x2)  
The more you want it  
the less you're gonna get back.  
Don't get it back. (x2)  
The more you want it  
the less you're gonna get back. (x3)  
I'm spinning out.  
I can't control my car
