

Share My Life

Kem

Makes any difference
I still love you, boy
You're my weakness
You changed my worldShare my life
Trust in me
You're all I want
Everything I need, ooh, babyMakes any difference
I give you all my heart
Girl, my sun sets
Anywhere you areMaybe I'm a dreamer
You're still my queen
Your love's like a river, boy
It's runnin' right through me
Share my life, hey boy
You can trust in me, baby
You're all I want, hey boy
You're everything I need, hey babeYou're my dream and my joy
My heart belongs to you, guy
So I sat down one day and I, I wrote this song
'Cause I need you in my worldShare my life baby, hey boy
You can trust in me boy, baby
You're all I want, baby, baby
You're everything I need, yeahI really need it baby, hey boy
I'll give you what you want, baby, baby, hey
If you want it, you can have it, baby, it's yours
Listen, I want you right here in my world
Here in my life, here in my soul
I want the world to know that I need you
Baby, I believe you, boy, I'll never deceive youShare my life, baby
Share my life, baby
Share my life, baby
Share my life, girl
Share my life, baby
