And-a-dress to killI'll be your sugar daddy
I'll be your diamond rings
You'll be my dirty secret
You'll be my sexy thing
I'll take you flying, baby
I'll be your rock star
I'll get you higher, baby
If you wanna go that farYou wanna go that far
You wanna go that farHey
I'll show you things you'd never seen
Touch my backstage pass
Ride my limousinePlease
Let me be your flesh and blood
Your dirty secret
Your rock of loveRock of love
Rock of love

Hollywood Hills
Pretty kitties, black in black
And a dress to killI'll be your sugar daddy
I'll be your diamond rings
You'll be my dirty secret
You'll be my sexy thingI'll take you flying, baby

If you wanna go that farYou wanna go that far
You wanna go that farNow you're velvet rope
You going V.I.P.
You flying private, baby

If you wanna go that far I'll be your sugar daddy
I'll be your diamond rings
You'll be my dirty secret
You'll be my sexy thing I'll take you flying, baby
I'll be your rock star
I'll get you higher, baby
If you wanna go that far I'll be, I'll be, I'll be
You wanna go that far
I'll be, I'll be, I'll be
You wanna go that far I'll be, I'll be, I'll be
You wanna go that far
