What About Now

Daughtry

Shadows fill an empty heart
As love is fading
From all the things that we are
But are not saying
Can we see beyond the scars
And make it to the dawn?Change the colors of the sky
And open up to
The ways you made me feel alive
The ways I loved you
For all the things that never died
To make it through the night
Love will find you
What about now?
What about today?
What if you're making me all that I was meant to be?
What if our love never went away?
What if it's lost behind words we could never find?
Baby, before it's too late
What about now?The sun is breaking in your eyes
To start a new day
This broken heart can still survive
With a touch of your grace
Shadows fade into the light
I am by your side
Where love will find you
What about now?
What about today?
What if you're making me all that I was meant to be?
What if our love had never went away?
What if it's lost behind words we could never find?
Baby, before it's too late
What about now?Now that we're here
Now that we've come this far
Just hold on
There is nothing to fear
For I am right beside you
For all my life
I am yoursWhat about now?
What about today?
What if you're making me all that I was meant to be?
What if our love had never went away?
What if it's lost behind words we could never find?What about now?

What about today?
What if you're making me all that I was meant to be?
What if our love had never went away?
What if it's lost behind words we could never find?
Baby, before it's too late
Baby, before it's too late
Baby, before it's too late
What about now?
