

# Heaven Falls / Fall on Me

## Surfaces

[Verse 1: Forrest]

Woke up early in the mornin'  
Just to feel the light of day  
Had to open up my window  
Get the shadows out my way  
Banana pancakes for my problems  
Find me jamming old Jack Johnson  
Swear I heard them angel calls  
Lay outside

[Chorus: Forrest]

As Heaven falls  
Heaven falls  
Heaven fa-a-a-alls  
As Heaven falls  
Heaven falls  
Heaven fa-a-all down on me

[Verse 2: Forrest]

Nothin quite like all this color  
Couldn't paint a better day  
Got good times on the horizon  
I can see them on their way  
Couple birds came up beside me  
Had to feed em some Bob Marley  
Swear I heard them angel calls  
Lay outside

[Chorus: Forrest]

As Heaven falls  
Heaven falls  
Heaven fa-a-a-alls  
As Heaven falls  
Heaven falls  
Heaven fa-a-all down on me

[Chorus: Forrest]

Heaven falls  
Heaven falls  
Heaven fa-a-a-alls  
As Heaven falls  
Heaven falls  
Heaven fa-a-all down on me

[Outro: Forrest]

Fall on me  
Fall on me  
Fall on me  
Fall on me  
Fall on me  
Fall on me  
Fall on me  
Fall on me
