

Wet Sand

Red Hot Chili Peppers

My shadow side so amplified
Keeps coming back dissatisfied
Elementary son but it's so...My love affair with everywhere
Was innocent why do you care
Someone start the car time to go...
You're the best I knowMy sunny side has up and died
I'm betting that when we collide
The universe will shift into a lowThe travesties that we have seen
Are treating me like Benzedrine
Automatic laughter from a proMy what a good day for a walk outside
I'd like to get to know you a little better baby god knows that I really tried
My what a good day for a take out bride
I'd like to say we did it for the better of
I saw you there so unawareThose hummingbirds all in your hair
Elementary son but it's so...
The disrepair of Norma JeanCould not compare to your routine
Balarama beauty going toe to toe
My what a good day for a let it slideI'd like to say we did it for the better of
I thought about itAnd I brought it out
I'm motivated by the lack of doubt
I'm consecrated but I'm not devout
The mother, the father, the daughterRight on the verge just one more dose
I'm travelling from coast to coast
My theory isn't perfect but it's close
I'm almost there why should I care
My heart is hurting when I share
Someone open up, let it showMy what a good day for a walk outside
I'd like to think we did it for the better ofI thought about it and I brought it out
I'm motivated by the lack of doubt
I'm consecrated but I'm not devout
The mother, the father, the daughter
Oh You don't form in the wet sand
You don't form at all
Ohohoh! You don't form in the wet sand
I do -
- Yeeeeeeah
You don't form in the wet sand
You don't form at all
Ohohoh! You don't form in the wet sand
I do -
- Yeeeeeeah!
