

Kisses Down Low

Kelly Rowland

Mike will made It
Right above no, yeah You put in over time, over night, doing everything I like, go so right yeah
You hold me close, squeeze me tight, look me deep inside my eyes, baby you know I love it
But nothing can compare to when you kiss me there
And I can't lie when I lie in your arms baby I feel so sexy So boy just take your time, send chills
down my spine
You're one of a kind, I swear I gotta make you mine Boy you turn me on, got me feeling hot
Now I'm really going I like, I like, I like my kisses down low
Makes me arch my back
When you give it to me slow
Baby just like that
She like her kisses down low
Make her arch her back
When you give it to her slow
Baby just like that I like my kisses down low
Makes me arch my back
When you give it to me slow
Baby just like that She like her kisses down low
Make her arch her back
When you give it to her slow
Baby just like that Yeah, baby get a little rough that's okay
Baby go ahead do your thang, ride on away
And I love it when we misbehave
Me and you together babe, we can do everything
Boy, if somebody could see the way you kiss on me
Oh they won't believe it, cause even I don't believe it but I love the way I'm feeling
So boy just take your time, send chills down my spine
You're one of a kind, I swear I gotta make you mine Boy you turn me on, got me feeling hot
Now I'm really going I like, I like, I like my kisses down low
Makes me arch my back
When you give it to me slow
Baby just like that She like her kisses down low
Make her arch her back
When you give it to her slow
Baby just like that I like my kisses down low
Makes me arch my back
When you give it to me slow
Baby just like that She like her kisses down low
Make her arch her back
When you give it to her slow
Baby just like that Speed it up, heat it up, let it go, let it go, let it go
'Til I get, get enough, you never know, never know, never know

I like that there, yeah that there,
A little more to the left (yeah right there) So boy just take your time, send chills down my spine
You're one of a kind, I swear I gotta make you mine Boy you turn me on, got me feeling hot
Now I'm really going I like, I like, I like my kisses down low
Makes me arch my back
When you give it to me slow
Baby just like that She like her kisses down low
Make her arch her back
When you give it to her slow
Baby just like that I like my kisses down low
Makes me arch my back
When you give it to me slow
Baby just like that She like her kisses down low
Make her arch her back
When you give it to her slow
Baby just like that I like my kisses down low
I like my kisses down low
I like my, like my, I like my, like my...
I like my kisses down low
I like my, like my, I like my, like my...
I like my kisses down low
