

# When Life Is Good Again

**Dolly Parton**

When life is good again  
I'll be a better friend  
A bigger person when  
Life is good again More thoughtful than I've been  
I'll be so different then  
More in the moment when  
Life is good again I'll open up my heart  
And let the whole world in  
I'll try to make amends  
When life is good again We've been brought to our knees  
We've been so ill at ease  
There are no guarantees  
But you know life goes on  
This too shall pass away  
Bring new and different days  
We need to change our ways  
And right our wrongs Let's open up our hearts  
And let the whole world in  
Let's try to make amends  
When life is good again I'll open up my doors again  
And hear the message in the wind  
Repent of all my sins  
(Hallelujah)  
When life is good again I'll try to be someone  
On which you can depend  
A helping hand to lend  
Let's open up our eyes  
To see what's goin' on  
If we're to move along,  
From where we've been Let's open up our hearts  
And let the love shine in  
(Shine in)  
We've all got knees to bend  
And we'll just pray till then  
Ask God's forgiveness when  
Life is good again And it's gonna be good again  
(It's gonna be)  
(It's gonna be)  
It's gonna be good again  
It'll be alright  
(It'll be alright) God's the reason for all things  
You want rainbows

You get rain  
We'll all be forever changed I'll sell my boat and fly my kite  
Walk in the park  
Go out at night  
And hold my loved ones extra tight When everything is on the mend  
I'll even drink with my old friends  
Sing and play my mandolin  
We'll make it through this long dark night  
Darkness fades when faced with light  
But everything's gonna be alright when life is good again
