

Smile

Lily Allen

When you first left me
I was wanting more
But you were fucking that girl next door
What'cha do that for?
When you first left me
I didn't know what to say
I never been on my own that way
Just sat by myself all day I was so lost back then
But with a little help from my friends
I found a light in the tunnel at the end
Now you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling alone
At first when I see you cry
Yeah it makes me smile
Yeah it makes my smile
At worst I feel bad for a while
But then I just smile
I go ahead and smile Whenever you see me
You say that you want me back
And I tell you it don't mean jack
No it don't mean jack
I couldn't stop laughing
No I just couldn't help myself
See you messed up my mental health
I was quite unwell
I was so lost back then
But with a little help from my friends
I found a light in the tunnel at the end
Now you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling alone At first when I see you cry
Yeah it makes me smile
Yeah it makes my smile
At worst I feel bad for a while
But then I just smile
I go ahead and smile La la la
La la la
La la la
La la la
La la la
La la la

La la la
La la la
La la la
La la la
La la la
La la la
La la laAt first when I see you cry
Yeah it makes me smile
Yeah it makes my smile
At worst I feel bad for a while
But then I just smile
I go ahead and smile
At first when I see you cry
Yeah it makes me smile
Yeah it makes my smile
At worst I feel bad for a while
But then I just smile
I go ahead and smile
