

# Heartbreak Back (feat. Riley Biederer)

Frank Walker

[Verse 1]

I miss the fire, I miss the thunder  
I miss your warm lips like the summer  
I was the rain, you were the cover  
You held me up and I pulled you under

[Pre-Chorus]

And you say there's nothing we could change  
You're still all over my mind  
I'm in the bright lights but I still feel darkness  
And it's better than it ever was without you in the good life  
I'm in the bright lights but I still feel darkness  
I'm in the bright lights but I still feel darkness

[Chorus]

I wish I never hurt you, darling  
I wish it didn't end like that  
I wish that you could give me some  
Give me some of that heartbreak back  
And nothing ever lasts forever  
There's nothing like what we had  
I wish that you could give me some  
Give me some of that heartbreak back

(Oh, oh, oh, heartbreak back  
Oh, oh, give me some of that heartbreak back  
Oh, oh, oh, heartbreak back  
Oh, oh, give me some of that heartbreak back)

[Verse 2]

We took revenge, turned it to wreckage  
You loved me blind, I loved you reckless  
All of the nights, moments and places  
Yeah, these are the things I have been missing

[Pre-Chorus]

And you say there's nothing we could change  
You're still all over my mind  
I'm in the bright lights but I still feel darkness  
And it's better than it ever was without you in the good life  
I'm in the bright lights but I still feel darkness

[Chorus]

I wish I never hurt you darling  
I wish it didn't end like that  
I wish that you could give me some  
Give me some of that heartbreak back  
And nothing ever lasts forever  
There's nothing like what we had  
I wish that you could give me some  
Give me some of that heartbreak back

(Oh, oh, oh, heartbreak back  
Oh, oh, give me some of that heartbreak back  
Oh, oh, oh, heartbreak back  
Oh, oh, give me some of that heartbreak back)

[Bridge]

I wish I never hurt you darling  
I wish it didn't end like that  
I wish that you could give me some  
Give me some of that heartbreak back  
And nothing ever lasts forever  
There's nothing like what we had  
I wish that you could give me some  
Give me some of that heartbreak back

[Chorus]

(Oh, oh, oh, heartbreak back  
Oh, oh, give me some of that heartbreak back  
Oh, oh, oh, heartbreak back  
Oh, oh, give me some of that heartbreak back)
