

Baby Outlaw

Elle King

[Verse]

I been runnin' since the day I was born
I'm the definition of worn
Shed a tear for each soul set free
But that's what happens when you dance with me
Pity the man that stands in my way
I'm a nightmare, even in the day
I'd be wise with which words you say
'Cause they could be the last breath you take
Go ahead baby, tell me

[Chorus]

Well I ain't nobody's baby
Baby, I'm an outlaw
Call me a criminal, maybe
Baby, I'm an outlaw
You know I ain't evil, but I ain't a saint
Can't help it, I was born this way
Yeah, baby, outlaw
Oh, baby, I'm an outlaw

[Verse 2]

I was cornered in the desert by a man
He took the pistol right from my hand
As he put it to my temple, I asked
Do you think it's gonna be that simple
You see, I got a bullet for a tooth and
I'm gonna use it to shoot you
Even though you gotta gun to my head
You'll be the one that ends up dead
Go ahead baby, tell me

[Chorus]

Well I ain't nobody's baby
Baby, I'm an outlaw
Call me a criminal, maybe
Baby, I'm an outlaw
You know I ain't evil, but I ain't a saint
Can't help it, I was born this way
Yeah, baby, outlaw

Oh, baby, I'm an outlaw

[Break]

And I looked him right between his eyes

He was terrified

I thought I told you not to babydoll me

[Chorus]

Well I ain't nobody's baby

Baby, I'm an outlaw

Call me a criminal, maybe

Baby, I'm an outlaw

You know I ain't evil, but I ain't a saint

Can't help it, I was born this way

Yeah, baby, outlaw

Little baby outlaw
