

Just for You

Sam Cooke

Just for you, just for you, just for you, my love
Wo oh for you, just for you, my love
Wo yes my dear, i finally realize
I finally realize that it's just for you

When you see me workin' all night long
Workin' till my stress was gone
It's for you, oh listen dear
I finally realize that it's all for you
Yeah, when you see me workin' all the day
Workin' all of my stress away
It's for you, oh yes it is
I finally realize that it's all for you

Just for you, wo oh, could it be for you
Just for you, just for you, wo wo, just for you
Yes my dear, i finally realize
I finally realize that it's just for you

When you see me workin' all the day
Workin' all of my stress away
It's for you, oh yes it is
I finally realize that it's all for you
Yeah, when you see me spendin' all of my money
Just to give you a good time, honey
It's for you, oh i finally realize
I finally realize that it's for you

It's for you, for nobody else but you
My love, it's for you
Sweetheart, i know it's for you, wo, it's for you
Yes my dear, i finally realize
I finally realize that it's just for you
