

911

Lady Gaga

Turning up emotional faders
Keep repeating self-hating phrases
I have heard enough of these voices
Almost like I have no choice This is biological stasis
My mood's shifting too manic places
Wish I laughed and kept the good friendships
Watch life, here I go again I can't see me cry
Can't see me cry ever again (Ooh)
I can't see me cry
Can't see me cry this is the end (Ooh)
My biggest enemy is me
Pop a 911
My biggest enemy is me
Pop a 911
My biggest enemy is me
Ever since day one
Pop a 911
Then pop another one Keep my dolls inside diamond boxes
Save them till I know I'm gon' drop this
Front I've built me around my oasis
Paradise is in my hand
Holding on so tight to this status
It's not real but I'll try to grab it
Keep myself in beautiful places
Paradise is in my hands
I can't see me cry
Can't see me cry ever again (Ooh)
I can't see me cry
Can't see me cry this is the end (Ooh) My biggest enemy is me
Pop a 911
My biggest enemy is me
Pop a 911
My biggest enemy is me
Ever since day one
Pop a 911
Then pop another one
(Pop another one)
Pop a 911
Then pop another one I can't see me cry
Can't see me cry ever again (Ooh)
I can't see me cry
Can't see me cry this is the end (Ooh) My biggest enemy is me

Pop a 911
My biggest enemy is me
Pop a 911
My biggest enemy is me
Ever since day one
Pop a 911
Then pop another onePlease patch the line
Please patch the line
Need a 911, can you patch the line
Please patch the line
Please patch the line
Need a 911, can you patch the line
