

# Sooner or Later

## N.E.R.D

Sooner or later  
It all comes crashing down (crashing down)  
Crashing down (crashing down)  
When everyone's around I bet you would have paid 'em  
All your cash down (cash down)  
And now you make a sound (to make a sound)  
Everyone knows now So you're sad about the money  
You lost your love (damn!)  
You couldn't see her leaving (you were game)  
And that's just on it  
'Cause God yanked the rug (damn!)  
And holding your heart will not help you breathe  
Sooner or later  
It all comes crashing down (crashing down)  
Crashing down (crashing down)  
When everyone's around I bet you would have paid 'em  
All your cash down (cash down)  
And now you make a sound (to make a sound)  
Everyone knows now  
It all comes crashing down It's over!  
Leave it!  
It's over!  
Leave it!  
It's over!  
Leave it!  
It's over!  
Leave it!  
And you should own it  
And you fucked up (damn!)  
You thought you were the team (you were game)  
And now your opponent  
He wears your glove (damn!)  
A nightmare just ate up your dreams Sooner or later  
It all comes crashing down (crashing down)  
Crashing down (crashing down)  
When everyone's around I bet you would have paid 'em  
All your cash down (cash down)  
And now you make a sound (to make a sound)  
Everyone knows now  
It all comes crashing down It's over!  
Leave it!  
It's over!

Leave it!  
It's over!  
Leave it!  
It's over!  
Leave it! Coulda had so much done  
You blew it off (damn!)  
Your chance is passing you by (you were game)  
Time waits for no one  
And it costs for lost  
A cosmic joke should you laugh or cry Sooner or later  
It all comes crashing down (crashing down)  
Crashing down (crashing down)  
When everyone's around I bet you would have paid 'em  
All your cash down (cash down)  
And now you make a sound (to make a sound)  
Everyone knows now  
It all comes crashing down It's over!  
Leave it! (x12)
