

# Lost

## Gorilla Zoe

Walking around looking for a way  
But no one tells me which way to go  
I'm caught up in a world, a labyrinth, a maze  
Where yes men could easily be no I ask them no questions, they give me no answers  
Following the wise but they're walking in Pampers  
Give me a cigarette, smoking my cancer  
Drink the pain away but I still have no answer I'm lost on the road  
Don't know which way to go  
I'm losing my mind, losing control of the wheel  
And I'm swerving on and off the road I'm lost on the road  
But survival is a must, don't know who I can trust  
I'm living in a rush, I don't understand this fuss  
My brain is 'bout to bust  
I think I'm losing it, I might be losing it  
I just might lose, am I losing my mind?  
And I'm so confused I don't know what to do  
And I need a clue 'fore I run out of time Am I losing it? Am I losing it?  
I think I'm losing, I'm losing my mind  
Am I losing it? Am I losing it?  
I think I'm losing, I'm losing my mind I-I-I'ma need counseling  
I lost my mind and still haven't found it  
I used to be so well-rounded  
But now I tiptoe on hell's boundaries F-F-F. Baby a.k.a. Crazy  
Trapped in a maze, therefore I am amazing  
Block E the doc, I'm just a patient  
And even with navigation  
I'm lost on the road  
I-I-I don't know what's wrong with me  
But but I'ma keep that styrofoam with me I'm lost on the road  
And I, and I don't know what's wrong with me  
Gorilla Zoe on the song with me  
He must be gone with me I-I-I think I'm losing it, I might be losing it  
I just might lose, am I losing my mind?  
And I'm so confused I don't know what to do  
And I need a clue 'fore I run out of time Am I losing it? Am I losing it?  
I think I'm losing, I'm losing my mind  
Am I losing it? Am I losing it?  
I think I'm losing, I'm losing my mind I'm making this money just to go spend it  
Living the good life, hope nobody ends it  
But who are you kidding? Ay who are you lying to?  
You know if they want you best believe they will find you I'm lost on the road  
And there's no one to talk to

There's nowhere to run to, I'm going in circles  
I'm talking to myself, got me blazing this purple  
And I think I'm losing it, I might be losing it  
I just might lose, am I losing my mind?  
And I'm so confused I don't know what to do  
And I need a clue 'fore I run out of time  
Am I losing it? Am I losing it?  
I think I'm losing, I'm losing my mind  
Am I losing it? Am I losing it?  
I think I'm losing, I'm losing my mind  
I'm lost on the road  
I'm lost on the road  
I'm losing my mind  
Losing control of the wheel  
And I'm swerving on and off the road  
I'm losing my mind
