

# Hard out Here

Lily Allen

I suppose I should tell you what this bitch is thinking  
You'll find me in the studio and not in the kitchen  
I won't be bragging about my cars or talking 'bout my chains  
Don't need to shake my ass for you 'cause I've got a brain  
If I told you about my sex life, you  
call me a slut  
Them boys be talking 'bout their bitches, no one's making a fuss  
There's a glass ceiling to break, uh-hu, there's money to make  
And now it's time to speed it up 'cause I can't move at this pace  
Sometimes it's hard to find the  
words to say  
I'll go ahead and say them anyway  
Forget your balls and grow a pair of tits  
It's hard, it's hard, it's hard out here  
For a bitch it's hard (For a bitch, for a bitch)  
For a bitch it's hard, it's hard out here  
For a bitch it's hard (For a bitch, for a bitch)  
For a bitch it's hard, it's hard out here  
If you're not a size six and you're not good looking  
Well, you better be rich or be real good at cooking  
You should probably lose some weight 'cause we can't see your bones  
You should probably fix your face or you'll end up on your own  
Don't you want to have  
somebody who objectifies you  
Have you thought about you butt, who's gonna tear in in two  
We've never had it so good, uh-hu, we're out of the woods  
And if you can't detect the sarcasm, you've misunderstood  
Sometimes it's hard to find the words  
to say  
I'll go ahead and say them anyway  
Forget your balls and grow a pair of tits  
It's hard, it's hard, it's hard out here  
For a bitch it's hard (For a bitch, for a bitch)  
For a bitch it's hard, it's hard out here  
For a bitch it's hard (For a bitch, for a bitch)  
For a bitch it's hard, it's hard out here  
A bitch, a bitch, a bitch, bitch, bitch (Bitch)  
A bitch, a bitch, a bitch, bitch, bitch (Ah)  
A bitch, a bitch, a bitch, bitch, bitch  
A bitch, a bitch, a bitch, bitch, bitch  
Inequality promises that it's here to stay  
Always trust the injustice 'cause it's not going away  
Inequality promises that it's here to stay  
Always trust the injustice 'cause it's not going away  
Sometimes it's hard to find the words to say  
I'll go ahead and say them anyway  
Forget your balls and grow a pair of tits  
It's hard, it's hard, it's hard out here  
For a bitch it's hard (For a bitch, for a bitch)  
For a bitch it's hard, it's hard out here  
For a bitch it's hard (For a bitch, for a bitch)

For a bitch it's hard, it's hard out hereBitch it's hard (For a bitch, for a bitch)  
For a bitch it's hard, it's hard out here  
For a bitch it's hard (For a bitch, for a bitch)  
For a bitch it's hard, it's hard out here
