Wondering

Olivia Rodrigo & Julia Lester

Seems like a part of me will always have to lose
Every single time I have to choose
Swore that it felt right, but was I wrong?Is this where I'm supposed to be at all?
I don't have the answers, not today
It's like nothing makes the questions go away
What I'd give to see if the grass was greenerOn the other side of all I've had and lost
Would it be enough, or would I still be wondering?If I could go back and change the past
Be a little braver than I had
And bet against the odds
Would I still be lost?
Even if I woke up in my dreams
Would there still be something I'm missing
If I had everything, would it mean anything
To me?
Feels like I might have broke the best thing that I had
I said too much to ever take it back
Scared I'll never find something as good
And would I even know it if I could?From the other side of all I've had and lost
Would it be enough, or would I still be wondering?
(Or would I still be wondering, oh)If I could go back and change the past
Be a little brave than I had
And bet against the odds
Would I still be lost?
Even if I woke up in my dreams
Would there still be something I'm missing
If I had everything, would it mean anythingMaybe I should turn around and take the other road
Or maybe I'm just looking for what I already knowI'm just wondering
If I could go back and change the past
Be a little brave than I had
And bet against the odds
Would I still be lost?
Even if I woke up in my dreams
Would there still be something I'm missing
If I had everything, would it mean anything
To me?Would it be enough
Or would I still be wondering?
