

# Lark On My Go-Kart

Asher Roth

Sitting on a truffet  
Puffing on the best cut buds tryna get butt from ms. muffet  
Me and teddy ruxpin stirring up a ruckus  
egging all the houses smashing all the pumpkins  
suck a dick butt kiss chumps can't funk with the punk kids  
Ash Roth be the king of the blumpkins  
any Tim Duncan, spur of the moment  
let the whole world know I run shit  
jump ship quick, tell a friend that I'm dumb sick spit fungus that'll grow from a dumb trip twist  
to a front flip son that was some trick  
watch all the dumb chicks hump when I bump this  
Kinda like the blonde Bob Saget  
Ash can get nasty  
Pass me a blunt and some captain  
chilling with an Ashley  
Heading to the mall  
Sitting in the backseat getting jerked off  
10 feet tall with the balls of a matador  
Door matted whore with your words heard that before  
Poor metaphor pedicure get your feet fixed  
Walk in my shoes for a few you gone need it  
Yea got your Wii fit to practice your freeze with  
Need a few weeks before you can compete with  
Razor Ramone flow o' so sharp  
You can take kapowsky (as in saved by the bell)  
I'm a take lark on my go-kart!  
Mario kart skills are outrageous  
Play me any day and I'll be the best racist  
Wait no erase it meant to a racer  
Traded in my cell phone for a new pager  
Take off your blue tooth now dot com  
I'm at the grocery store with hot moms  
Bout 35 with at least 2 kids  
We can make out while my friend babysits  
All up in your fridge eating left over shit  
Tuna sandwich, butterscotch, crumpets, Cheeto's be my choice of chip  
I enjoy for a bit  
Take a sip from my sips and then splitThrow that J up is it rolled?  
Yeah, Roll it up.Hair like a troll doll  
Basketball shorts on yeah I'm a dork but im still holing court ball up balla  
Yea I take to long get dolled up  
Give a fuck if I look like I just woke up

Who my tryna impress  
Honey in the sundress  
With the breasts luscious Just sent me a text  
O-M-G your the B-E EST  
If you tryna have sex  
I'm the best at it!
