

# Contaminated

## Banks

You wanna get to know me  
You memorized the lines of my thighs  
I knew before you told me You'd get it right And you took the dark for granted  
And you love me like you  
Promised your wife  
It's almost like you planned it in the daylight Ooh I can attain it  
Ooh I can attain it  
Ooh I can attain it  
Ooh I can attain it  
Ooh I can attain it  
I like the way you say it  
Tell me the words you told me  
That day  
Maybe if I could believe it I could just stay 'Cuz I like the way you do it  
Yeah I like the way you move it baby show me the way  
I like the way you get it on the freeway  
And I wish I could change it  
And we're always gonna be  
Contaminated  
And oh  
I know what we need  
You start letting me go  
Our love is tainted You said they'd be against us  
I say you care too much what they say  
You said
