

# Brighter Than the Sun

Colbie Caillat

Stop me on the corner  
I swear you hit me like a vision  
I, I, I wasn't expecting  
But who am I to tell fate where it's supposed to go with it  
Don't you blink, you might miss it  
See we got a right to just love it or leave it  
You find it and keep it  
'Cause it ain't every day you get the chance to say  
Oh, this is how it starts, lightning strikes the heart  
It goes off like a gun, brighter than the sun  
Oh, we could beat the stars falling from the sky  
Shining how we want, brighter than the sun  
I never seen it, but I found this love, I'm gonna feed it  
You better believe I'm gonna treat it  
Better than anything I've ever had  
'Cause you're so damn beautiful  
Read it, it's signed and delivered, let's seal it  
Boy, we go together like peanuts and Paydays  
Marley and reggae  
And everybody needs to get a chance to say  
Oh, this is how it starts, lightning strikes the heart  
It goes off like a gun, brighter than the sun  
Oh, we could beat the stars falling from the sky  
Shining how we want, brighter than the sun  
Everything is like a white out 'cause we shook-a-shook-a shine down  
Even when the, when the light's out but I can see you blow  
Got my head up in the rafters, got me happy ever after  
Never felt this way before, ain't felt this way before  
I swear you hit me like a vision  
I, I, I wasn't expecting  
But who am I to tell fate  
Where it's supposed to go  
Oh, this is how it starts, lightning strikes the heart  
It goes off like a gun, brighter than the sun  
Oh, we could beat the stars falling from the sky  
Shining how we want, brighter than the sun  
Oh, this is how it starts, lightning strikes the heart  
It goes off like a gun, brighter than the sun  
Oh, we could beat the stars falling from the sky  
Shining how we want, brighter than the sun  
Brighter than the sun  
(Brighter than the sun)  
Brighter than the sun  
Oh, this is how it starts, lightning strikes the heart  
It goes off like a gun, brighter than the sun

Oh, this is how it starts, lightning strikes the heart  
It goes off like a gun, brighter than the sun  
Oh, this is how it starts, lightning strikes the heart  
It goes off like a gun, brighter than the sun  
Oh, this is how it starts, lightning strikes the heart  
It goes off like a gun, brighter than the sun
