

# Rain On Me

Ashanti

I'm lookin' in the mirror  
At this woman down and out  
She's internally dyin'  
I know this was not what love's about I don't wanna be this woman  
The second time around  
'Cause I'm wakin' up screamin', no longer believin'  
That I'm gonna be around And over and over I tried  
Yet over and over you lied  
And over and over I cried, And over and over I tried  
Yet over and over you lied  
And over and over I cried, yeah  
I don't know why  
Rain on me  
Lord, won't you take this pain from me  
I don't wanna live, I don't wanna breathe, tell ya just  
Rain on me  
Lord, won't you take this pain from me  
I don't wanna live, I don't wanna breathe See, I don't want to hug my pillow late at night no more  
I'm tossin' and turnin' and thinkin' 'bout burnin' down these walls  
I don't wanna fuel this fire no more, no more, no more  
See, I made up my mind 'cause I've wasted my time  
Ain't nothin' here to keep me warm And over and over I tried  
Yet over and over you lied  
And over and over I cried, And over and over I tried  
Yet over and over you lied  
And over and over I cried,  
I cried, I cried, I cried, I cried, I cried  
Rain on me  
Lord, won't you take this pain from me  
I don't wanna live, I don't wanna breathe, tell ya just  
Rain on me  
Lord, won't you take this pain from me  
I don't wanna live, I don't wanna breathe I'm so tired of the rain  
In my life  
And I'm so tired of the strain  
And now you're gonna lie 'Cause sometimes I can't sleep at night and  
This here it just don't seem right and  
Sometimes I just wonder why I  
Almost let my life go by 'Cause sometimes I can't sleep at night and  
This here it just don't seem right and  
Sometimes I just wonder why I  
Almost let my life go by Rain on me

Lord, won't you take this pain from me  
I don't wanna live, I don't wanna breathe, tell ya just  
Rain on me

Lord, won't you take this pain from me  
I don't wanna live, I don't wanna breatheRain on me

Lord, won't you take this pain from me  
I don't wanna live, I don't wanna breathe, tell ya just  
Rain on me

Lord, won't you take this pain from me  
I don't wanna live, I don't wanna breathe
