

# Mr Magic (Through the Smoke)

Amy Winehouse

[Verse 1]

Every day, I see you  
My hands were made for you  
And you always give me stress free point of view  
Pick you up after school

[Chorus]

(Mister Magic) Take a token  
(Mister Magic) Of my love  
(Mister Magic) I see you through the smoke

[Verse 2]

Without you, I'm misery  
Blue without my green  
All the songs sound better when you're next to me  
Yeah, 'cause you come naturally

[Chorus]

(Mister Magic) Take a token  
(Mister Magic) Of my love, love, love  
(Mister Magic) I see you through the smoke

[Verse 3]

Laying on my bed  
I reach over for you  
And you so fresh, you even make the standards new  
Burn the tip to get you through

[Chorus]

(Mister Magic) Take a token  
(Mister Magic) Of my love  
(Mister Magic) Mister Magic  
I see you through the smoke

[Outro]

(Mister Magic)  
(Mister Magic)  
(Mister Magic)  
Waiting for the smoke to clear  
I'm waiting for the smoke to clear
