

La Monja Mellada

Dover

No heartache, no crying
no waiting, no smiling
no hating, no having
no taking, no wanting. Every single night long
dye black my heart
any word that i swore was an illusion
sing along that love is a no word
i stopped my mind to
think that love is a no word
and now i've become a rock. No heartache, no crying
no waiting, no smiling
no hating, no having
no taking, no wanting.
Every single night long
dye black my heart
any word that i swore was an illusion
sing along that love is a no word
i stopped my mind to
think that love is a no word
and now i've become a rock.
