

Autumn in New York

Ella Fitzgerald & Louis Armstrong

[Ella]

Autumn in New York
Why does it seem so inviting
Autumn in New York
It spells the thrill of first-nightingglittering crowds and shimmering clouds
In canyons of steel
They're making me feel - I'm homeIt's autumn in New York
That brings the promise of new love
Autumn in New York
Is often mingled with painDreamers with empty hands
They sigh for exotic landsIt's autumn in New York
It's good to live it again

[Louis]

Autumn in New York
The gleaming rooftops at sundown
Oh, Autumn in New York
It lifts you up when you run downYes, jaded rou,s and gay divorc,es
Who lunch at the Ritz
Will tell you that it's divineThis autumn in New York
Transforms the slums into Mayfair
Oh, Autumn in New York
You'll need no castles in SpainYes, Lovers that bless the dark
On the benches in Central Park
Greet autumn in New York
It's good to live it again[trumpet solo]

[Ella]

Autumn in New York
That brings the promise of new love
Autumn in New York
Is often mingled with painDreamers with empty hands
They sigh for exotic landsIt's autumn in New York
It's good to live it again
