

# My Town

Michael Stanley

This old town's been home long as I remember  
This town's gonna be here long after I'm gone  
East side, West side--give up, or surrender  
    Been down,  
But I still rock on...Oh, and this town  
    Is my town, alright?  
    Love or hate it, it don't matter  
    'Cause I'm gonna stand and fight  
    This town, is my town  
    She's got her ups and downs  
    But love or hate it, it don't matter  
    'Cause this is my town  
This old town is where I learned about lovin'  
    This old town is where I learned to hate  
This town, buddy, has done its share of shovin'  
    This town taught me  
That it's never too lateOh, and this town  
    Is my town, alright?  
    Love or hate it, it don't matter  
    'Cause I'm gonna stand and fight  
    This town, is my town  
    She's got her ups and downs  
    But love or hate it, it don't matter  
    'Cause this is my town  
    Oh, and this town  
    Is my town, alright?  
    Love or hate it, it don't matter  
    'Cause I'm gonna stand and fight  
    This town, is my town  
    She's got her ups and downs  
    But love or hate it, it don't matter  
    'Cause this is my townThis is my town  
    This is my town  
    This is my town...
